4) Discussion and Voting:

- a) At least three members advocating for or against an endorsement shall be recognized by the meeting chair, with each side provided equal opportunity to address the membership. Discussion may be limited to one or two minutes per speaker.
- b) Members shall be instructed that the threshold question for consideration is whether to endorse in a particular race. After the discussion of endorsement, a vote is generally taken, consistent with the bylaws. Following a decision to endorse, the members may discuss the individual merits of endorsing a candidate, as well as providing any arguments against endorsing in a particular contest.
- c) Voting may be done by a show of hands or membership cards, or by secret ballot when requested by a member.
